

Fire Restriction Order (Stage 1)

Due to current and forecasted weather conditions coupled with the extremely dry conditions, it has been determined that measures must be taken to prevent the ignition of forest and rangeland fires. Therefore, Tropic Town has prohibited the following acts in the areas described:

- Setting, building, maintaining, attending, or using open fires of any kind, except within the facilities designated for them in improved campgrounds, picnic areas, or home sites where running water is present.
- Smoking, except within an enclosed vehicle, camp trailer, or building, a developed recreation site, or while stopped in an area that is paved or free from dry vegetation.
- Discharging or using any kind of fireworks, tracer ammunition, or other pyrotechnic devices, including exploding targets.
- Cutting, welding, or grinding metal in areas of dry vegetation.
- Operating a motorcycle, chainsaw, ATV, or other small internal combustion engine without an approved and working spark arrestor.

The following persons are exempted from the above prohibitions:

1. Persons with a permit or waiver specifically issued by the fire chief authorizing a specified act at a specific location. A waiver does not relieve the permittee of liability if a fire does occur.
1. Any on-duty firefighter performing an official duty.

Area Description: The entire incorporated Tropic Town boundaries.

Designated Fireworks Area: The Gravel Section West of the Baseball Complex will serve as the designated fireworks area. Fireworks will be allowed to be ignited there between July 2nd-5th & July 21st-25th from 9 PM to 11 PM only.

ONLY fireworks approved by the Utah State Fire Marshal will be allowed to be ignited.

Effective Date: 12:01 A.M. * July 28, 2026

Dani Harding

Tropic Town Clerk
