Help Us Go Paperless!

RECEIVE YOUR WATER BILL BY EMAIL

Tropic Town is updating our water customer contact information and would like to begin offering water bills by email. Receiving your bill by email will help save paper, reduce mailing costs, and make it easier for you to get your bill each month.

- Save paper and reduce mailing costs
- Receive your bill quickly and easily
- Help us communicate important updates

Welcome to the Tropic Town Team!

Tropic Town would like to welcome **Bradyn Nielson** as our new Assistant Public Works Employee! We're excited to have Bradyn join our team and look forward to working with him.

Connex Box Reminder

Just a reminder to residents that Connex boxes (shipping containers) may be subject to Town zoning and placement requirements. Please check with the Town Office before bringing one onto your property.

Winter Is Coming
WATER REMINDER

As temperatures begin to drop, please remember to disconnect garden hoses, protect outdoor faucets, and check exposed pipes to help prevent freezing.

Winter Street Parking Reminder

Please avoid parking vehicles, trailers, and other equipment on town streets during winter months. Keeping streets clear helps with snow removal and road maintenance.

CUT HERE AND RETURN TO THE TOWN OFFICE OR INCLUDE WITH YOUR WATER PAYMENT

TROPIC TOWN
WATER BILL EMAIL SIGN-UP

Name: _____

Water Service Address: _____

Email Address: _____

☐ Yes, I would like to receive my monthly water bill by email instead of regular mail.
